FARM POLICY

"Your" complete Farm Policy is made up of this booklet and the "Coverage Summary Page"(s) provided to "you".

This policy consists of five Sections:

Section I describes insurance on "your" "dwelling" and personal property.

Section II describes insurance on "your" Farm Property.

Section III: Parts 1 & 2 describe insurance for "your" legal liability to others because of unintentional "Bodily Injury" or property damage.

Section IV describes miscellaneous coverages which "you" may require.

Section V contains conditions which apply to all Sections of this policy.

This policy contains various exclusions and limitations which eliminate or restrict coverage. Please read it carefully.

Words and phrases shown in "quotations" have special meaning, either as defined in this booklet under Definitions, or as otherwise specifically defined within the applicable section.

Insurance cannot be a source of profit. It is designed to indemnify "you" against actual losses or expenses incurred by "you" or for which "you" are liable, arising from accidental events.

This policy is a legal contract which has been designed for "you", based on the occupancy, use, services, utilities, and other circumstances pertinent to "your" property which "you" disclosed to "your" broker or agent at the time "you" completed "your" application. When there is a change to any of these circumstances, be sure to notify "your" broker or agent accordingly.

"Your" policy ends at one minute after midnight on the last day of each period of insurance. The period of insurance is shown on "your" "Coverage Summary Page".

In the event of loss or damage to "your" property, notify "your" broker or us immediately.

AGREEMENT

"We" provide the insurance described in this policy in return for payment of the premium and subject to all the terms, conditions, exclusions and limitations set out. The "Coverage Summary Page" summarizes the coverages and amounts of insurance "We" have agreed to provide and the period for which they are provided. Failure to comply with any term or condition may result in the denial of a claim under this policy.

DEFINITIONS (as used throughout this policy):

"You", "your" or "the insured" means the person(s) named as insured on the "Coverage Summary Page" and, while living in the same household, his or her spouse, the relatives of either or any person under the age of 21 in their care. This also includes any "student" insured by this policy, who is temporarily living away from home for the purpose of attending a school, college or university. Spouse is as defined in the *Miscellaneous Statutes (Domestic Relations) Amendment Act, 2001*.

Only the person named on the "Coverage Summary Page" may take legal action against us.

"We", "us" or "the insurer" means the *My Mutual Insurance Ltd*.

"Coverage Summary Page" means the Section of "your" Insurance Policy containing basic information such as "your" name and address, the description and location of the insured property, the policy term, the amount of coverage, and premium amounts and includes any schedule of insured property which may form part of this policy.

If “you” must remove property from “your” “premises” to protect it from loss or damage, it is insured for **30 days** or until the term of this policy ends, whichever occurs first. The amount of insurance will be divided in the proportions that the value of the property removed bears to the value of all property at the time of the loss.
2. **Tear Out** (Applicable to “dwelling” building): If any walls, ceilings or other parts of insured buildings or structures must be torn apart before insured water damage from a plumbing, heating, air conditioning or sprinkler system or “domestic appliance” can be repaired, “we” will pay the cost of such repairs. The cost of tearing out and replacing property to repair damage related to outdoor swimming pools, hot tubs, spas or similar installations or public “water mains”, is not insured.

“**DWELLING**” BUILDING - “We” insure the “dwelling” described on the “Coverage Summary Page” for which an amount of insurance is shown, including its attached structures and:

1. permanently installed outdoor equipment on the “premises” usual to a private “dwelling”. This includes fences within 61 meters (200 ft.) of the “dwelling”, but not fences used in connection with “business” or “farming” activities;
2. outdoor swimming pools and attached equipment on the “premises”;
3. materials and supplies located on or adjacent to the “premises” intended for use in construction, alteration or repair of the “dwelling” or private structures on the “premises”, other than private structures to be used in whole or in part for “business” or “farming” purposes.

Building Fixtures and Fittings - “you” may apply up to 10% of the amount of insurance on “your” “dwelling” building to insure building fixtures and fittings temporarily removed from the “premises” for repair or seasonal storage.

OUTBUILDINGS - "We" insure detached structures or outbuildings on the "premises" located within 61 meters (200 ft.) of the "dwelling" and separated from the "dwelling" by a clear space, but not insured under "dwelling" Building. If they are connected to the "dwelling" by a fence, utility line or similar connection only, they are considered to be detached structures. If the insured "dwelling" is a Seasonal "dwelling" this coverage also applies to boathouses, boat lifts, docks and piers not on the "premises" but located elsewhere in the same resort area as the "dwelling". The amount of insurance on outbuildings and detached private structures at Seasonal Residence "premises", including boathouses, boat lifts, docks and piers elsewhere in the same resort area, is limited to 10% of the amount of insurance specified for the Seasonal "dwelling". "We" do not insure any building or structure that is or was designed for "farming" purposes or is or was used in whole or in part for "farming" or any other "business" purposes, whether it is in use, unoccupied or "vacant", nor do "we" insure any tarp or fabric type shelters or buildings. "We" do not insure any building or structure that is or was designed for use mainly as a place of residence, whether it is in use, unoccupied or "vacant". "We" do not insure hydronic yard furnaces, the building they are housed in, nor any contents located in the building. This includes but is not limited to wood and or coal fired water boilers.

1. **Personal Property on "Your" "Premises":** "We" insure the contents of "your" "dwelling" or unit and other personal property "you" own, wear or use, while on "your" "premises" at the location shown on the "Coverage Summary Page", usual to the ownership or maintenance of a private "dwelling". If "you" wish, "you" may apply up to 10% of the amount of insurance on "your" personal property to cover uninsured personal property of others while it is on that portion of "your" "premises" which "you" occupy. "We" do not insure property of tenants, roomers or boarders who are not related to "you".
2. **Personal Property away from "Your" "Premises":**
 - a. "We" insure the personal property of any unmarried person financially dependent on "you" who is a "student" attending an educational institution away from "your" home.  - b. "We" insure the personal property of a parent or family member who is dependent on "you" for support and maintenance, while residing in a nursing home or other health care facility. The amount of insurance available is up to a limit of **\$7,500**.
 - c. "We" insure personal property while "you" are moving from "your" principal residence "premises" shown on the "Coverage Summary Page" to a new "dwelling" anywhere in Canada. If "you" have personal property in more than one location, the amount of insurance will be divided in the proportions that the value of property in each location has to the value of all "your" personal property at the time of the loss. "Your" personal property, while "you" are moving, will be covered only for a period of 30 days commencing on the date "you" first started moving or until the term of this policy ends, whichever comes first.
 - d. "We" insure "your" personal property "you" normally keep throughout the year at "your" "premises" while it is temporarily away from "your" "premises" anywhere in the world. This includes personal property newly acquired by "you" and in "your" possession when there has not been an opportunity to take such property to "your" "premises". Personal Property normally kept at any other location "you" own, rent or occupy is not insured.
 - e. If "you" wish, "you" may apply up to \$10,000 of the amount of insurance on "your" personal property to property of others while in "your" possession anywhere in the world.
 - f. Personal property in storage away from "your" "Premises" is covered for a period of 30 consecutive days only, from the date the property is placed in storage, unless otherwise shown on the "Coverage Summary Page". This limitation does not apply to:

Payment shall be for the reasonable time required to repair or rebuild “your” “dwelling” or, if “you” permanently relocate, the reasonable time required for “your” household to settle elsewhere.
2. **Fair Rental Value:** If an “Insured Peril” makes that part of the “dwelling” or any outbuilding insured under Outbuildings rented to others or held for rental by “you” unfit for occupancy, “we” insure its Fair Rental Value. Payment shall be for the reasonable time required to repair or replace that part of the “dwelling” or outbuilding rented or held for rental. “Fair Rental Value” shall not include any expense that does not continue while that part of the “dwelling” or outbuilding rented or held for rental is unfit for occupancy. “We” do not insure loss, damage or expense caused by the cancellation of a lease or agreement.

Our obligation to defend any claim or suit ends when the amount “we” pay for the loss equals the limit of liability. No deductible applies to this coverage.

However, “we” will not pay for any loss if “you” allow others to find out “your” personal identification number (P.I.N.), or if “you” do not keep “your” P.I.N. and card completely separate to prevent losing both at the same time. Keeping these in different compartments of the same object, such as “your” wallet, handbag, dresser, or vehicle shall not be considered as being kept separate.

FIRE DEPARTMENT CHARGES - “We” will pay up to \$2,000, or such other amount as may be specified on the “Coverage Summary Page”, for “your” liability for fire department charges incurred when a municipal Fire Department is called to save or protect property insured under this section of “your” policy or to protect “your” property or property of others adjacent to “your” “Premises”. 7. Reasonable costs, fees or expenses associated with the replacing of Canadian or Provincial Government issued documents as a result of an “Identity Fraud” occurrence.

 - a. The removal of any criminal or civil judgements wrongly entered against “you”.

This endorsement will be secondary with other insurance being primary. This endorsement will only apply once the other insurance available to "you" has been exhausted.

No deductible applies to this coverage.

In addition to the requirements outlined on the policy to which this endorsement attaches, "you" are required to contact "your" local law enforcement agency of the "Identity Fraud" occurrence.

INFLATION PROTECTION: During the term of this policy, "we" will automatically change the limits of insurance on "dwelling" Building, Detached Private Structures and Personal Property by the percentage shown on the "Coverage Summary Page". 75% - 7 months after the current effective date

100% - 9 months after the current effective date

Effective on renewal date, "we" will automatically change the limits of insurance shown on the "Coverage Summary Page" in the same way. If, at "your" request, "we" change the limit of insurance on any coverage shown on the "Coverage Summary Page", "we" will apply this Inflation Protection on the changed limits of insurance from the date the change is made. This clause does not apply to mobile homes.

Automatic Principal Residence Coverage: If "you" purchase a new "dwelling" building in Saskatchewan that will become "your" principal residence to replace "your" principal "dwelling" building insured under Section 1, "we" will insure both "dwelling" buildings for a period of thirty days from the date "you" take possession of the new "dwelling", provided "you" notify us within that 30 day period. The amount of insurance shown for "your" principal residence in Section 1 will apply to each "dwelling" building. This coverage ceases if the policy expires or is cancelled during the 30 day period referred to above.

LOCK REPLACEMENT - "We" will pay up to \$1,000 for the replacement of lock(s) or the cost of changing the key combination in "your" lock set on the "dwelling" or outbuilding(s) if their keys are stolen. OUTDOOR TREES, SHRUBS, Plants, Lawns and Landscaping Material: (This coverage does not apply to a Seasonal "Dwelling") - "You" may apply up to 5% in all of the amount of insurance on "your" "dwelling" building to outdoor trees, shrubs, plants, lawns or landscaping material on "your" "premises". "We" will not pay more than \$1,000 for any one tree, shrub, plant, lawn or landscaping material, including debris removal expenses. For example, "We" will pay to recharge "your" or someone else's fire extinguisher if it was used to fight a fire on "your" "Premises". "we" will not pay for property owned by a fire

department. The amount “we” pay under this coverage is in addition to the amounts shown on the “Coverage Summary Page”. No deductible applies to this coverage.

TEMPERATURE CHANGE (Personal Property)

5. Impact by Aircraft or Land Vehicle;
6. Vandalism or Malicious Acts: This peril does not include loss or damage:

BASIS OF CLAIM PAYMENT

“Dwelling” Building, Outbuildings and Personal Property - applicable to all Farm Residence Packages, Riders and Endorsements.

This part sets out certain rules, which apply in settling a claim for loss or damage to insured property. “We” will pay for insured loss or damage up to “Your” financial interest in the property, but not exceeding the applicable amount(s) of insurance for any loss or damage arising out of any one occurrence. Any payment “we” make for loss or damage will not reduce the amounts of insurance provided by this policy. If “you” qualify for a tax credit, the loss payment will be reduced by that amount.

“Actual Cash Value” will take into account such things as the cost of replacement less any depreciation, and in determining depreciation “we” will consider the condition and resale value immediately before the loss or damage and the normal life expectancy.

Building Replacement Cost - Optional Loss Settlement: (This clause does not apply to Mobile Homes. If there is loss or damage to a building insured under “dwelling” building or outbuilding, “you” may choose as the basis of loss settlement either (A) or (B) provided:

1. “you” repair or replace the damaged or destroyed building within a reasonable time after the loss, and
 2. “you” use materials of similar quality for repair or replacement, and
 3. if replacement is necessary, “You” replace the building on the same site with a building to be used for the same occupancy, and
 4. the “Coverage Summary Page” does not indicate that the building is insured for actual cash value, and
 5. there is nothing elsewhere in this policy limiting the basis of claim payment to Actual Cash Value.
- If all these provisions are not met, settlement will be as in (B).

(A) The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case, if the loss is over \$1,000, “We” will pay in the proportion that the applicable amount of insurance bears to 80% of the “replacement cost” of the damaged building at the date of the damage, but not exceeding the actual cost incurred. “Replacement Cost” means the cost, at the time of the loss, of repairs or replacement (whichever is less) with new property of similar kind and quality, without deduction for depreciation.

(B) The actual cash value of the loss or damage at the date of the occurrence. “Actual Cash Value” will take into account such things as the cost of replacement less any depreciation, and in determining depreciation “we” will consider the condition and resale value immediately before the loss or damage and the normal life expectancy.

Deductible: “We” are responsible only for the amount by which the insured loss or damage exceeds the amount of the deductible shown on the “Coverage Summary Page” in any one occurrence. If one occurrence could lead to the application of more than one deductible, only the largest deductible will apply.

“Dwelling” Roofs: Loss or damage caused by windstorm or hail to “dwelling” roofs over 20 years old will be settled on an Actual Cash Value basis.

Guaranteed Replacement Cost: If the “Coverage Summary Page” indicates that Guaranteed Replacement Cost (GRC) is included, “We” agree to pay any insured loss under “dwelling” building on the basis of the following:

1. Subject to paragraph 2 below, “we” agree to pay:
 - a. the actual cost reasonably incurred to repair or replace the building on the same site with materials of like kind and quality, without deduction for depreciation, even if this exceeds the amount of insurance specified for “dwelling” building on the “Coverage Summary Page”.
 - b. without increasing the amount of insurance, and only as a result of an “Insured Peril”, the cost, as required, of demolishing, repairing, replacing, constructing or reconstructing the “dwelling” on the same site arising from the enforcement of the minimum requirements of any by-law, regulation, ordinance or law which regulates zoning or the demolition, repair or construction of damaged “dwellings” and is in force at the time of such loss or damage. “We” will not pay for losses caused by the enforcement of any by-law, regulation, ordinance or law which prohibits “you” from rebuilding or repairing on the same site.
2. The foregoing agreement shall not be applicable and shall not be in effect unless “you” fully comply with the following conditions:
 - a. the amount of insurance applicable to “dwelling” Building must not be less than the full estimated replacement cost of the building;
 - b. “You” must notify us of any additions, alterations or improvements “you” make to the building which increases its replacement cost by \$10,000 or more, within **ninety** days of the commencement of the additions, alterations or improvements. “you” agree to increase the amount of insurance applicable to “dwelling” building by an amount equal to the increase in the replacement cost of the building and to pay the additional premium for the increase;
 - c. “You” must repair or replace the damaged or destroyed building within a reasonable time after the loss;
 - d. “You” must have properly described “your” “dwelling” building to us when applying for this insurance;

- e. "You" agree to accept each annual adjustment in the coverage limits of liability as recommended by us and pay the additional premium.

Insurance Under More Than One Policy: If "you" have other insurance on specifically described property, our policy will be considered excess insurance and "we" will not pay any loss or claim until the amount of such other insurance is used up. In all other cases, our policy will pay its rateable proportion of the loss or claim.

Mobile Homes: Loss or damage to Mobile Homes and additions will be settled on the basis of Actual Cash Value in all cases.

Obsolescence: "We" will not pay for increased costs that result when "you" cannot repair or replace "your" property because material or parts are unavailable, obsolete or outmoded. "We" will pay the cost that would have been required if material or parts were available. "We" will pay on the basis of the last known cost of material or parts. In the event that new property of like kind and quality is not obtainable because material or parts are unavailable or obsolete, new property which is as similar as possible to that damaged or destroyed and which is capable of performing the same function shall be deemed to be new property of like kind and quality.

Personal Property: "We" agree to pay any insured loss or damage to property described under Personal Property, on the basis of "Replacement Cost" provided that:

1. The property at the time of loss was useable for its original purpose, and
2. "You" have repaired or replaced the property promptly; otherwise the basis of loss settlement will be the Actual Cash Value, and the value of the loss or damage at the date of the occurrence, up to the applicable amount of insurance, but not exceeding what it would cost to repair or replace the property with material of similar quality.

Replacement Cost settlement does not apply to:

1. Property no longer in use for its intended purpose;
2. Antiques, fine arts, paintings, statuary and similar articles which, by their inherent nature, cannot be replaced with a similar article;
3. Fur garments, garments trimmed with fur or wedding gowns that are 5 years of age from the date they were originally purchased new;

otherwise the basis of loss settlement will be the Actual Cash Value of the loss or damage at the date of the occurrence, up to the applicable amount of insurance, but not exceeding what it would cost to repair or replace the property with material of similar quality.

"You" may elect not to replace some of the destroyed or stolen property. Settlement for the property not replaced will be on an Actual Cash Value basis. If, at a later date, "you" decide to replace any destroyed or stolen property, "you" are permitted to make an additional claim under this insurance but only if "you" present the claim within 180 days after the date of loss.

"Replacement Cost" means the cost, at the time of the loss or damage, of repair or replacement (whichever is less) with new property of similar kind and quality, without deduction for depreciation.

Swimming Pool Liners: Loss or damage to swimming pool liners will be settled on the basis of Actual Cash Value in all cases.

1. “your” financial interest in the property;
2. the Actual Cash Value of the loss or damage at the date of the occurrence;
3. the amount it would cost to repair or replace the property with materials of similar quality;
4. the applicable amount(s) of insurance shown in this policy.

This applies even if more than one person or organization has an insurable interest in the property insured.

If “you” qualify for a tax credit, the loss payment will be reduced by that amount. Any loss or damage shall not reduce the amount of insurance provided by this policy.

Any loss or damage shall not reduce the amount of insurance provided by the policy.

Actual Cash Value: The Actual Cash Value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation; “we” will consider market value, the condition and resale value immediately before the damage and the normal life expectancy.

If “you” qualify for a tax credit, the loss payment will be reduced by that amount.

Deductible: “We” are responsible only for the amount by which the loss or damage caused by any of the Insured Perils exceeds the amount of the deductible shown on the “Coverage Summary Page” in any one occurrence. If one occurrence could lead to the application of more than one deductible only the largest deductible will apply.

Obsolescence: “We” will not pay for increased costs that result when “you” cannot repair or replace “your” property because material or parts are unavailable, obsolete, or outmoded. “We” will pay only the cost that would have been required if material or parts were available. “We” will pay on the basis of the last known cost of material or parts.

In all other cases, our policy will pay its rateable proportion of the loss or claim.

Deferred Loss Settlement Clause X577:

This applies only to property for which “Deferred Loss Settlement Clause - X577” is shown on the “Coverage Summary Page”. If there is loss or damage to the property by an “Insured Peril”, the basis of claim payment will be as follows:

1. “We” will not pay more than 50% of the amount “we” would otherwise pay if this clause had not been in effect;
2. If “you” repair or replace the damaged or destroyed property within nine months of the date of the loss and, if replacement is necessary, “you” replace the property on the same site or within 300 feet (90 meters) with property designed for the same purpose for which the destroyed property was originally intended, “we” will, upon receipt of satisfactory evidence of the amount “you” have paid for repair or replacement, pay the remaining amount of the loss in accordance with the terms and conditions of this policy;
3. If “you” do not repair or replace the property within the requirements of paragraph 2 above, the reduced payment “you” receive under the provisions of paragraph 1 shall constitute full and final settlement of the loss. “We” will then refund one-half the annual premium “you” paid us for the insurance on the property, if “you” request us to do so;
4. If “you” have other insurance on the property, “we” will pay our ratable proportion of the loss, subject to the terms and conditions of this clause.

“We” do not pay for any loss, expense or increased cost of repair or replacement due to the operation of any law or ordinance regulating zoning, demolition, repair or construction of buildings and their related services.

Replacement Cost X560:

Where the “Coverage Summary Page” set out the basis of settlement as Replacement Cost – X560 it is understood and agreed that settlement shall be based on the cost of repairing, replacing, constructing or reconstructing (whichever is the least) the property on the same site or on an adjacent site, with standard building materials of like kind and quality and currently available in North America and for like occupancy without deduction for depreciation. The foregoing shall be subject otherwise to all the terms, conditions and limitations of the Policy including endorsements thereon and to the following:

1. the repair, replacement, construction or reconstruction, as the case may be, must be effected by the Insured with due diligence and dispatch;
2. until repair, replacement, construction or reconstruction has been effected by the Insured, liability shall be that which would have existed had this coverage not been in effect. Liability shall in no event exceed the amount actually and necessarily expended to repair, replace, construct or reconstruct;
3. any other insurance effected by or on behalf of the Insured in respect of the perils insured against by the Policy on the property to which this coverage is applicable shall be upon the replacement cost basis as set out herein;
4. failing compliance by the “Insured” with any of the foregoing provisions, this coverage shall be null and void;
5. any reference to actual cash value in a co-insurance clause in this Policy is deemed to be a reference to replacement cost of the property insured;
6. in the event that new property of like kind and quality is not obtainable, new property which is as similar as possible to that damaged or destroyed and which is capable of performing the same function shall be deemed to be new property of like kind and quality for the purposes of this endorsement;
7. This provision does not apply to:
 - a. stock;
 - b. patterns, dies, moulds;

- e. any increase in the cost of replacement occasioned by a restriction or prohibition in any by-law, regulation, ordinance or law.

If there is more than one building insured for "Replacement Cost", this cover shall apply separately to each building to which it is applicable.

Basis of Loss Settlement: The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case "we" will pay in the proportion that the applicable amount of insurance bears to 80%, unless otherwise indicated, of the Replacement Cost of the damaged building at the date of the damage, but not exceeding the actual cost incurred, or the applicable amount of insurance, whichever is less. Loss or damage caused by windstorm or hail to roofs over 20 years old will be settled on an Actual Cash Value basis.

Inflation Protection: During the term of this policy, "we" will automatically change the limits of insurance on the noted building or contents by the percentage shown on the "Coverage Summary Page". The limits will be adjusted by a portion of the Inflation Protection Percentage up to but not exceeding:

- 25% - 3 months after the current effective date
- 50% - 5 months after the current effective date
- 75% - 7 months after the current effective date
- 100% - 9 months after the current effective date

Effective on renewal date, "we" will automatically change the limits of insurance shown on the "Coverage Summary Page" in the same way. If, at "your" request, "we" change the limit of insurance on any coverage shown on the "Coverage Summary Page", "we" will apply this Inflation Protection on the changed limits of insurance from the date the change is made.

EXTENSIONS OF COVERAGE

Debris Removal: The limit of insurance includes the expense incurred in the removal of debris of insured property which has been damaged or destroyed by an "Insured Peril". If the property is subject to a Co-Insurance Clause, the debris removal expense will not be considered in determining value for the purpose of applying the Co-Insurance Clause.

This coverage does not insure against direct or indirect loss, damage, cost or expense, arising out of the clean-up, removal, containment, treatment, detoxification, decontamination, stabilization, neutralization, or remediation resulting from any actual, alleged, potential, or threatened spill, discharge, emission, dispersal, "seepage", "leakage", migration, release, or escape of "pollutants". Further, this coverage does not insure against direct or indirect loss, damage, cost or expense, for any testing, monitoring, evaluating or assessing of an actual, alleged, potential, or threatened spill, discharge, emission, dispersal, "seepage", "leakage", migration, release, or escape of "pollutants".

Fire Fighting Expense: "We" will pay up to \$2,000 or such other amount as may be specified on the "Coverage Summary Page", for "your" liability for fire department charges incurred when a municipal Fire Department is called to save or protect property insured under this section of "your" policy or to protect "your" property or property of others adjacent to "your" "premises". No deductible applies to this cover. "You" may not claim under this extension if the Fire Fighting Expenses are insured elsewhere in this policy.

Removal of Property: If "you" must remove insured property from "your" "premises" to protect it from loss or damage, it is insured by this policy for 7 days or until "your" policy term ends, whichever occurs first. The amount of insurance will be divided in the proportions that the value of the property removed bears to the value of all property at the time of the loss.

BLANKET EARNINGS AND EXTRA EXPENSE

If the “Coverage Summary Page” shows that Rider F265 applies, “we” provide the insurance described below in return for payment of the premium.

DEFINITIONS - As used in this Rider:

“Business” or “Operations” - means “your” “farming” operations at the location(s) shown on the “Coverage Summary Page”.

“Earnings” means “your” net profit before income taxes, plus all operating expenses earned by “your” “business”. If “your” “business” is not operating at a profit, “earnings” will be determined by subtracting “your” net loss before income taxes from continuing operating expenses.

“Extra expense” means the expense “You” incur during the “period of restoration” which “You” would not have incurred if there had been no “insured loss” and which is necessary to continue as nearly as possible the normal conduct of “Your” “Farming” operations. This includes the expense of using other property or facilities of others.

“Insured loss” means:

1. loss or damage to building(s) or structure(s) or their contents for which indemnity is payable by the perils incurred against as shown on the “Coverage Summary Page”, and
2. death or necessary destruction of livestock for which indemnity is payable by the perils insured against as shown on the “Coverage Summary Page”.

“Period of restoration” means the period, beginning with the date on which the “insured loss” occurs, which would reasonably be required to repair, rebuild or replace the damaged or destroyed property, not limited by the expiry date of this policy. The “period of restoration” does not include any additional time needed because of any law or ordinance regulating the zoning, demolition, repair or construction of bindings or their related services.

DESCRIPTION OF COVERAGE - “We” insure “your” loss of “earnings” (less operating expenses which do not necessarily continue) and the extra expense “you” incur in order to continue as nearly as possible the normal “Business” operations, directly resulting from the interruption of “your” “business” due to an

insured loss which occurs while this Rider is in force. "We" will pay only for the loss of "earnings" and extra expense "you" incur during the period of restoration.

"We" also insure:

1. expenses "you" necessarily incur for the purpose of reducing any loss under this Rider (except expense incurred to extinguish a fire) but not exceeding the amount by which such loss is thereby reduced;
2. extra expense incurred in obtaining property for temporary use during the period of restoration which is necessary for the conduct of "your" "business". "We" will deduct the salvage value that remains of any property bought for temporary use, after "you" have resumed normal operations.

LOSSES EXCLUDED - "We" do not insure:

1. the cost of repairing or replacing damaged or destroyed property;
2. any increase of loss due to the operation of any law or ordinance regulating the zoning, demolition, repair or construction of buildings or their related services;
3. any increase of loss due to interference at "your" "premises" by strikers or other persons with rebuilding, repairing or replacing damaged or destroyed property, or with the resumption or continuation of "your" "business";
4. loss due to fines or damages for breach of contract for late or non-completion of orders, or for any penalties of any nature;
5. loss due to the suspension, lapse or cancellation of any lease, license, contract or order. However, if the suspension, lapse or cancellation results directly from the interruption of "your" "business" by an insured loss, "we" will insure any resulting loss of "earnings", but only during the period of restoration;
6. the cost of compiling books of accounts, abstracts, drawings, card index systems or other records including film, tape, disc, drum, cell or other magnetic recording or storage media for electronic "data" processing.

BASIS OF LOSS SETTLEMENT - When an "earnings" or extra expense loss occurs, the following will be considered in determining the loss settlement:

1. **Earnings:** "Your" amount of earnings loss will be determined taking into consideration:
 - a. the net income of "your" "business" before the insured loss occurred;
 - b. the operating expenses, including payroll expense, necessary to resume operations to the same extent that existed just before the insured loss, and
 - c. other sources of information on "your" "business" such as "your" financial records, bills, invoices and other similar documents.
2. **"Your" Responsibility for Resuming Operations:** If "you" can reduce "your" loss by resuming operations on "your" "premises" or elsewhere, using damaged or undamaged property, "you" agree to do so.
"We" will reduce the amount of "your" "earnings" loss to the extent "you" can resume operations in whole or in part by using damaged or undamaged property at "your" "premises" or elsewhere. Bankruptcy - Bankruptcy or insolvency of the Insured or of the Insured’s estate will not relieve us of our obligations under this policy.

Cancellation

1. The “Named Insured” shown on the “Coverage Summary Page” may cancel this policy by mailing or delivering to us advance written notice of cancellation.
2. “We” may cancel this policy by mailing or delivering to the “Named Insured” written notice of cancellation at least 15 days before the effective date of cancellation if “we” cancel for non-payment of premium or for any other reason.
3. “We” will mail or deliver “your” notice to the first “Named Insured’s” last mailing address known to us.
4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
5. If this policy is cancelled, “we” will send the first “Named Insured” any premium refund due. If “we” cancel, the refund will be pro rata. If the “Named Insured” cancels, the refund may be less than pro rata. The cancellation will be effective even if “we” have not made or offered a refund.
6. If notice is mailed, proof of mailing will be sufficient proof of notice.

Changes - This policy contains all the agreements between “you” and us concerning the insurance afforded. This policy’s terms can be amended or waived only by endorsement issued by us and made a part of this policy.

Duties in the Event of “Pollution Incident”, Claim or “Action”

1. “You” must see to it that “we” are notified immediately of a “pollution incident”.
Notice should include:
 - a. how, when, where the “pollution incident” took place;

- b. the names and addresses of any injured persons and of witnesses;
 - c. the nature and location of any "Property Damage" arising out of the "pollution incident".
Notice of a "pollution incident" is not notice of a claim.
2. If a claim is made or "action" is brought against any insured, "you" must see to it that "we" receive immediate written notice of the claim or "action".
 3. "You" and any other involved Insured must:
 - a. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "action";

 4. No "insured" will, except at its own cost, voluntarily make a payment, assume any obligation, or incur any expense, without our consent other than expenses for immediate "clean-up costs" which are required by any applicable state or regulation related to the protection of the environment and promulgated by any governmental body.

Examination of Books and Records - "We" may examine and audit any Insured's books and records as they relate to this policy.

Inspections and Surveys - "We" have the right but are not obligated to:

1. make inspections and surveys at any time;
2. give "you" reports on the conditions "we" find; and
3. recommend any changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. "We" do not make safety inspections. 1. are safe or healthful; or
2. comply with statutes, regulations, ordinances, directives, orders, codes or standards.

The insurer waives no right and undertakes no responsibility by reason of any such inspection, survey, report or recommendation or the omission thereof.

Legal Action Against Us - No person or organization has a right under this policy:

1. to join us as a part or otherwise bring us into an "action" asking for "Compensatory Damages" from an insured; or
2. to sue us on this policy unless all of its terms have been fully complied with. A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial but "we" will not be liable for "Compensatory Damages" that are not payable under the terms of this policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the Insured and claimant or the claimant's legal representative. Every "action" or proceeding against us shall be commenced within one year next after the date of such judgment or agreed settlement and not afterwards.

Material Change in the Risk - If any change shall occur materially varying any of the statements made in the Application or during any inspection or survey, or if the Insured shall receive information indicating a material increase in the risks to which this policy relates, the Insured shall, within thirty (30) days of such change of information becoming known, give us notice of such change in writing.

Other Insurance - If at the time of the "pollution incident" covered by this policy there is any other insurance applicable "we", under this policy, will be liable only for the excess, if any, of any loss over the applicable limit of the other insurance covering such loss.

Premium Audit

1. "We" will compute all premiums for this policy in accordance with our rules and rates.
2. Premiums shown in this policy as advance premium is a deposit premium only. At the close of each audit period "We" will compute the earned premium for that period. Audit premiums are due and payable on notice to the "Named Insured". If the sum of the advance and audit premiums paid for

the policy term is greater than the earned premium, "we" will return the excess to the "Named Insured" subject to the retention of the minimum premium shown on the "Coverage Summary Page".

3. The "Named Insured" must keep records of the information "we" need for premium computation, and send us copies at such times as "we" may request.

Priority of Payment - Where the total of all "Compensatory Damages" because of "Bodily Injury" or "Property Damage" and all "clean-up costs" and all "defense expense" exceed the limits of liability for any one "pollution incident" or exceed the amount of insurance available, the available proceeds of this insurance shall be applied in the following descending order of priority:

3. "We" have issued this policy in reliance upon "your" statements and representations.

Transfer of Rights of Recovery Against Others to Us - if the Insured has rights to recover all or part of any payment "we" have made under this policy, those rights are transferred to us. The Insured must do nothing after loss to impair them. At our request, the Insured will bring "action" or transfer those rights to us and help us enforce them.

Separation of Insureds, Cross Liability

Except with respect to the Limits of Insurance, and any rights or duties assigned to the first "Named Insured", this insurance applies:

1. as if each "Named Insured" were the only "Named Insured"; and
2. separately to each insured against whom claim is made or "action" is brought.

Transfer of "Your" Rights and Duties Under this Policy - "Your" rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual "Named Insured". If "you" die, "your" rights and duties will be transferred to "your" legal representative but only while acting within the scope of duties as "your" legal representative. Until "your" legal representative is appointed, anyone having proper temporary custody of "your" property will have "your" rights and duties but only with respect to that property.

STANDARD MORTGAGE CLAUSE
(approved by The Insurance Bureau of Canada)

IT IS HEREBY PROVIDED AND AGREED THAT:

Breach of Conditions by Mortgagor, Owner or Occupant

1. This insurance and every documented renewal thereof - AS TO THE INTEREST OF THE MORTGAGEE ONLY THEREIN — is and shall be in force notwithstanding any act, neglect, omission or misrepresentation attributable to the mortgagor, owner or occupant of the property insured, including transfer of interest, any “Vacancy” or non-occupancy, or the occupation of the property for purposes more hazardous than specified in the description of the risk; PROVIDED ALWAYS that the Mortgagee shall notify forthwith the Insurer (if known) of any “Vacancy” or nonoccupancy extending beyond thirty (30) consecutive days, or of any transfer of interest or increased hazard THAT SHALL COME TO HIS KNOWLEDGE; and that every increase of hazard (not permitted by the policy) shall be paid for by the Mortgagee — on reasonable demand — from the date such hazard existed, according to the established scale of rates for the acceptance of such increased hazard, during the continuance of this insurance.

Right of Subrogation

2. Whenever the Insurer pays the Mortgagee any loss award under this policy and claims that — as to the Mortgagor or Owner — no liability therefor existed, it shall be legally subrogated to all rights of the Mortgagee against the insured; but any subrogation shall be limited to the amount of such loss payment and shall be subordinate and subject to the basic right of the Mortgagee to recover the full amount of its mortgage equity in priority to the insurer; or the Insurer may at its option pay the Mortgagee all amounts due or to become due under the mortgage or on the security thereof, and shall thereupon receive a full assignment and transfer of the mortgage together with all securities held as collateral to the mortgage debt.

Other Insurance

3. If there be any other valid and collectible insurance upon the property with loss payable to the Mortgagee — at law or in equity — then any amount payable thereunder shall be taken into account in determining the amount payable to the Mortgagee.

Who May Give Proof of Loss

4. In the absence of the insured, or the inability, refusal or neglect of the insured to give notice of loss or deliver the required Proof of Loss under the policy, then the Mortgagee may give the notice upon becoming aware of the loss and deliver as soon as practicable the Proof of Loss.

Termination

5. The term of this mortgage clause coincides with the term of the policy; PROVIDED ALWAYS that the insurer reserves the right to cancel the policy as provided by Statutory provision but agrees that the Insurer will neither terminate nor alter the policy to the prejudice of the Mortgagee without the notice stipulated in such Statutory provision.

Foreclosure

6. Should title or ownership to said property become vested in the Mortgagee and/or assigns as owner or purchase under foreclosure or otherwise, this insurance shall continue until expiry or cancellation for the benefit of the said Mortgagee and/or assigns.

Subject to the terms of this Mortgage Clause (and these shall supersede any policy provisions in conflict therewith but only as to the interest of the Mortgagee), loss under this policy is made payable to the Mortgagee.
