

WELDING WARRANTY

This warranty modifies insurance provided under the following:

Commercial General Liability Policy

It is warranted by you that the following apply with respect to welding operations performed away from your premises:

- a) all combustible materials within 30 feet of the work site shall be removed or covered with non-combustible sheeting;
- b) all combustible materials below the work site shall be removed or protected, and any persons below the work site shall be warned of the operations;
- c) wooden floors in the immediate vicinity of the work will be wetted down;
- d) a watchman equipped with an operable, fully charged extinguisher shall be present during welding operations and for a period of 30 minutes after cessation of operations.

You agree that in the event of failure to comply with the foregoing and a claim arises out of the operations so affected, there shall be no coverage provided under your policy.
