

## INFLATION PROTECTION

Where the Coverage Summary Page set out the basis of settlement as "Replacement Cost" it is understood and agreed that during the term of this policy, we will automatically change the limits of insurance on the described building and contents by the percentage shown on the Coverage Summary Page. The limits will be adjusted by a portion of the Inflation Protection Percentage up to but not exceeding:

- 25% - 3 months after the current effective date
- 50% - 5 months after the current effective date
- 75% - 7 months after the current effective date
- 100% - 9 months after the current effective date

Effective on renewal date, we will automatically change the limits of insurance shown on the Coverage Summary Page in the same way.

If, at your request, we change the limit of insurance on any coverage shown on the Coverage Summary Page, we will apply this Inflation Protection on the changed limits of insurance from the date the change is made.

All other terms and conditions of this policy remain unchanged.
